DELTA INC. FOUNDATION

The Orlando Alumnae Chapter of Delta Sigma Theta Sorority, Inc., established the Delta Education and Life Training Alliance of Orlando, Florida, Inc. Foundation, (Delta Inc. Foundation), a public 501(c) (3) not-for-profit organization established in 1992, is chartered and registered in the State of Florida. As a public charity supporting scholastic achievement, public service programs, and research initiatives focused upon African American women. Today, the Foundation remains strong, vibrant, and poised to meet 21st century challenges with the same unwavering spirit and dedication the Sorority originally envisioned. Our charge to realize social and economic equality for future generations of African-American women continues as our guiding principle.

DELTA SIGMA THETA SORORITY, INC.

Delta Sigma Theta Sorority, Inc. is a private, non-profit organization whose purpose is to provide assistance and support through established programs in local communities throughout the world. A sisterhood of more than 250,000 college educated women, the Sorority currently has over 900 chapters located in the United States, England, Japan (Tokyo and Okinawa), Germany, the Virgin Islands, Bermuda, the Bahamas and the Republic of Korea. The major programs of the sorority are based upon the organization's Five Point Thrust of:

- △ ECONOMIC DEVELOPMENT
- △ EDUCATIONAL DEVELOPMENT
- △ INTERNATIONAL AWARENESS AND INVOLVEMENT
- △ PHYSICAL AND MENTAL HEALTH
- △ POLITICAL AWARENESS AND INVOLVEMENT

The Sorority was founded in 1913 by 22 students at Howard University. These young women wanted to use their collective strength to promote academic excellence; to provide scholarships; to provide support to the underserved; educate and stimulate participation in the establishment of positive public policy; and to highlight issues and provide solutions for problems in their communities.

ORLANDO ALUMNAE CHAPTER

OAC has been a legacy of change and cultivated its expanding membership. Today, with over 200 members, the chapter remains in the forefront: crafting the debate on public policy and social issues, creating opportunities for higher quality education through the provision of annual scholarships and innovative youth development programs, and stimulating economic growth through its evolving and diverse community based partnerships in the City of Orlando.

A “commitment to serve” is what the Orlando Alumnae Chapter has been recognized for by many community organizations. Several awards, certificates, plaques, and trophies have been received throughout the years. Of those, the chapter received the Order of Hammer Award and Outstanding Public Service Award from the Walt Disney Company.
