Delta Academy Program Information

Delta Sigma Theta Sorority, Inc. is a non-profit nationwide organization, whose purpose is to provide service and programs to promote human welfare. The Delta Academy program was created out of an urgent need to save our young females ages 11-14 and/or grades 6-8 from the perils of academic failure, low self-esteem and crippled futures. The Delta Academy program provides an opportunity for the Orlando Alumnae Chapter to enrich and enhance the education that young teens receive in public schools throughout Orange County.

The goals for Delta Academy are:

- To promote scholarship in math, science, and technology and/or careers where minority women are scarcely represented
- To increase the opportunities to provide service in the form of leadership
- To promote sisterhood defined as the cultivation of service learning
- To promote sisterhood defined as the cultivation and maintenance of relationships

The *Dr. Betty Shabazz Delta Academy's* aim is to shape well rounded young women by focusing on African American history, literacy, character development, healthy choices, and service learning. Many young ladies have tremendous potential, however they are not afforded the opportunity to broaden themselves, express their curiosity, and experience new and different things early on.

The Delta Academy program is designed for:

- **Young ladies**, 11 to 14 years of age, who have potential for success, but limited opportunities;
- **Young ladies** who are interested in developing themselves and sharpening various skills (i.e. literacy, math and science);
- **Young ladies** interested in service, education, and technology;
- **Young ladies** who enjoy learning new things;
- **Young ladies** who express interest in math, science, technology, or other non-traditional careers;
- **Young ladies** who are overlooked or left out of special programs at their schools because of perceptions that they may not be able to overcome financial, personal, or academic obstacles in their lives.

The mission of the **Delta Academy Committee** is to provide young ladies with a firm structural program that will enhance their self-esteem, academic achievement, leadership skills, and cultural awareness. This, in turn, will provide them with the opportunity to develop emotionally, socially, and intellectually and be prepared to take an active role in their success as they face the challenges of the world.

The symbol for **Delta Academy** is the Dream Catcher, which in Native American culture is believed to possess the power to capture bad dreams, entangling them in a web; thus allowing only the good dreams to pass through the center of the dream hoop into the person's being.

The primary goal of the program is to prepare young girls for full participation as leaders in the 21st Century!!!
